

Create a new My Frontiers account on afmonline.org or afmsociety.ca

Benefits of creating your My Frontiers account

- Read AF Magazine online
- Add missionaries and projects to your prayer list.
 - ▶ This places them on your main My Frontiers page where you can follow just the ones you are interested in.
 - ▶ No need to hunt for your missionaries and projects each time you visit the site; just login and view.
- View hidden missionaries.
 - ▶ Many of our missionaries are “creative access,” meaning for their safety and the viability of the project, they are hidden from search engines online and their blogs are not visible.
 - ▶ If you have entered their code; however, each time you login you will be able to view their blog.
- Update your profile and preferences.

1. Open afmonline.org or afmsociety.ca

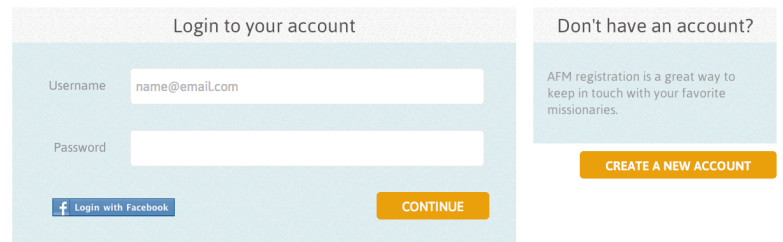

2. Select LOGIN/SIGNUP on the top right of your screen.

3. If you have an account, enter your info and select continue.
